

# Why Leave a Legacy Gift?

For over 20 years, we have been the leading organization supporting everything needed to Live, Work and Play in the West Central Adirondacks.

*"LivingADK has a fine history of identifying needs and challenges in the region and putting together appropriate resources to address those opportunities. Every year it grows stronger and legacy gifts ensure it will be there for future generations."*

## SUPPORT COMMUNITIES

Your Forever Gift ensures we have the financial means to support our region's vibrant year-round communities creating a sustainable economy for generations to come.

2

## HOUSING OPTIONS

LivingADK's Housing Committee explores new ways to look at the long-term health of our communities with creative housing solutions through grants, deed restriction programs and other key initiatives.

3

## HEALTH & SOCIAL SERVICES

To attract and keep year-round residents, it is essential that we have services that support the people who live here. Senior services and health care are top priority and LivingADK and its Healthcare Committee work to shore up access in the West Central Adirondacks.

4

## HIGH SPEED BROADBAND

Along with the lifesaving services necessary for year-round residents, seasonal residents and visitors, broadband technology & telecommunications are critical for innovation, entrepreneurship and workforce development.

5

## ENVIRONMENTAL SUSTAINABILITY

We support the Climate Leadership and Community Protection Act (CLCPA) and have implemented new energy programs locally. Through the creation of the Old Forge Farmers Market 14 years ago, we have expanded access to local producers and strengthened the local food supply chain.
